

Help! Our energy costs are set to rise by £10,000 this year.

We are not exaggerating. And we don't know whether to be scared or frozen stiff. Thank goodness you have helped us install vital energy-saving measures over the last few years. The only good news is that more people are using the Memorial Hall than before the pandemic. But if this is to continue we need to keep hire fees at a sensible level. This will depend entirely on the success of our fundraising activities. So supporting this lottery is more important than ever. Of course, we have our usual maintenance costs to cover. In 2022 we had the exceptional expense of a survey of our trees which led to some costly tree surgery. In these challenging times we shall strive to carry on maintaining this vital amenity and hope you will be able to support our efforts once again. We can't do it without you.

At least two prizes of £50 guaranteed in our first draw on March 29th 2023

The monthly lottery costs £12 for the year. That works out at a mere 3.2p a day, with the chance of winning a cash prize every month! Once again we'll be giving away 20% of the pot. Last year we had 419 members and gave away 60 prizes totalling £1069. In any case, we guarantee at least 2 prizes of £50 in our first draw on March 29th 2023. We'd like to give away even more. And we can if more people play. We appreciate times are hard, but please could you buy an extra ticket this year?

We've given away around £28,000 in prizes and raised £125,000+

Our lottery began in 1995 and to date we've given away more than 2,030 cash prizes worth around £28,000. Many people have won more than once - particularly those that hold more than one ticket. Better still, we have made more than £125,000 profit. It's so easy to play, we do hope you'll sign up again. Do you have any friends or family who would like to play?
